

THREE CIRCLES OF INFLUENCE

WAIANAE BOAT HARBOR HOMELESS OUTREACH

This summer we had the privilege to minister to children in the boat harbor in West Oahu. We trained a team of young people to present the Gospel with an invitation to receive Christ. During our time in the Boat Harbor Camp we saw the need of hungry children. The Lord put it on our heart to feed these little ones. We started providing food parcels on a regular basis. Then we had a miracle happen and now we are receiving special food packets that are 21 minerals 21 vitamins and 52% protein. We are ministering on a regular basis meeting the felt needs as well as their spiritual need. At our Thanksgiving outreach we provided meals for 120 of these precious people.

ELEMENTARY STUDENT OUTREACH

We have 2 main schools that have Bible Clubs, Wilson Elementary and Benjamin Parker Elementary. We have teams going in one day a week and teach a memory verse and Bible lesson and missionary story. Discipling and showing God's love to these children. We were able to partner with C4 church and provide 300 backpacks filled with school supplies for our Back to School Family Outreach.

HIGH SCHOOL YOUTH OUTREACH

The goal of youth outreach is to Encourage - Equip - Empower these young people to live a successful life lead by the Holy Spirit.

We conduct a Bible Club at Kalaheo High every Monday. We take in 5 extra large pizza's for lunch and have 31 students. It's exciting to have the opportunity to speak the Word of God into their lives every week. We also had the privilege to gather our students with the youth of the surrounding islands for the Hawaiian Youth Conference for an awesome time of fellowship, prayer, worship. The Big Event student outreach had 70 attended and 24 salvations. Praise God!
